Re: KalshiEX LLC – CFTC Regulation 40.2(a) Notification Regarding the Amendment to the Initial Listing of the “Will a new Supreme Court justice be confirmed?” Contract

Dear Sir or Madam,

Pursuant to discussion with the Division, KalshiEX, LLC (Kalshi) is amending the “Will a new Supreme Court justice be confirmed?” contract filing with regard to the listing cycle. The filing had previously noted that “The Contract is intended to be listed at roughly annual or semi-annual intervals, though that timeline may be modified should circumstances change.” Kalshi has added the listing cycle to the terms and conditions in Appendix A, which now say “The Contract is intended to be listed at annual intervals. The initial contract will cover the period until the end of 2022. The Exchange may, at its discretion, list additional contracts due to exigent circumstances.” The Contract complies with the Act and Commission regulations thereunder. This submission has been concurrently posted on the Exchange’s website at <https://kalshi.com/regulatory/filings>.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Elie Mishory
Chief Regulatory Officer
KalshiEX LLC
emishory@kalshi.com

APPENDIX A – CONTRACT TERMS AND CONDITIONS

TERMS OF CONTRACTS TRADED ON KALSHI

Official Product Name: Will a new Supreme Court justice be confirmed?

Ticker and Rulebook: SCOTUS

SCOTUS

Scope: These rules shall apply to this contract.

Underlying: The Underlying for this Contract is nominations to the position of Associate Justice or Chief Justice of the Supreme Court of the United States that are confirmed by the Senate between Issuance and <date> according to Congress.gov. Revisions to the Underlying made after Expiration will not be accounted for in determining the Expiration Value.

Instructions: Nominations can be found at

<https://www.congress.gov/search?q=%7B%22congress%22%3A%5B%22117%22%5D%2C%22source%22%3A%22nominations%22%7D>. An example of a nomination to the Supreme Court (for Associate Justice Amy Coney Barrett) is here: <https://www.congress.gov/nomination/116th-congress/2252?q=%7B%22search%22%3A%5B%22amy+coney+barrett%22%2C%22amy%22%2C%22coney%22%2C%22barrett%22%5D%7D&s=5&r=1>. The relevant line reads

“Confirmed by the Senate” and is preceded by a date. These instructions on how to access the Underlying are provided for convenience only and are not part of the binding Terms and Conditions of the Contract. They may be clarified at any time.

Source Agency: The Source Agency is the Library of Congress.

Type: The type of Contract is a Binary Contract.

Issuance: The Contract is intended to be listed at annual intervals. The initial contract will cover the period until the end of 2022. The Exchange may, at its discretion, list additional contracts due to exigent circumstances.

Date: <date> refers to a calendar date specified by Kalshi. Kalshi may list iterations of the Contract corresponding to different statistical periods of <date>.

Expo_Date: <expo_date> refers to a calendar date specified by Kalshi. Kalshi may list iterations of the Contract corresponding to different statistical periods of <expo_date>.

Payout Criterion: The Payout Criterion for the Contract encompasses the Expiration Values that includes a nomination for the position of Chief Justice or Associate Justice of the Supreme Court that was confirmed by the Senate between Issuance and <date>.

Minimum Tick: The Minimum Tick size for the referred Contract shall be \$0.01.

Position Limit: The Position Limit for the \$1 referred Contract shall be \$25,000 per Member.

Last Trading Date: The Last Trading Date of the initial iteration of the Contract will be the same day as the Expiration Date. The Last Trading Time will be the same as the Expiration time.

Settlement Date: The Settlement Date of the initial iteration of the Contract shall be no later than the day after the Expiration Date, unless the Market Outcome is under review pursuant to Rule 7.1.

Expiration Date: The Expiration Date of the Contract shall be the sooner of one day following the occurrence of an event that is encompassed in the Payout Criterion, or <expo_date>.

Expiration time: The Expiration time of the initial Contract iteration shall be 10:00 AM ET.

Settlement Value: The Settlement Value for this Contract is \$1.00.

Expiration Value: The Expiration Value is the value of the Underlying as documented by the Source Agency on the Expiration Date at the Expiration time.

Contingencies: Before Settlement, Kalshi may, at its sole discretion, initiate the Market Outcome Review Process pursuant to Rule 6.3(c) of the Rulebook. Additionally, as outlined in Rule 7.2 of the Rulebook, if any event or any circumstance which may have a material impact on the reliability or transparency of a Contract's Source Agency or the Underlying related to the Contract arises, Kalshi retains the authority to designate a new Source Agency and Underlying for that Contract and to change any associated Contract specifications after the first day of trading.

Re: KalshiEX LLC – CFTC Regulation 40.2(a) Notification Regarding the Initial Listing of the “Will a new Supreme Court justice be confirmed?” Contract

Dear Sir or Madam,

Pursuant to Section 5c(c) of the Commodity Exchange Act and Section 40.2(a) of the regulations of the Commodity Futures Trading Commission, KalshiEX LLC (Kalshi) hereby notifies the Commission that it is self-certifying the “Will a new Supreme Court justice be confirmed?” contract (Contract). The Contract is intended to be listed at roughly annual or semi-annual intervals, though that timeline may be modified should circumstances change. The key strike variables in this contract are:

- The target date (“<date>”)
- The expiration date (“<expo_date>”).

Along with this letter, Kalshi submitted the following documents:

- A concise explanation and analysis of the Contract;
- Certification;
- Appendix A with the Contract’s Terms and Conditions;
- Confidential Appendices with further information; and
- A request for FOIA confidential treatment.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Elie Mishory
Chief Regulatory Officer

New Contract Submission: Will a new Supreme Court justice be confirmed?

Ticker: SCOTUS

Kalshi Contract Category: Political Decision

SCOTUS Confirmation

November 30, 2021

CONCISE EXPLANATION AND ANALYSIS OF THE PRODUCT AND ITS COMPLIANCE WITH APPLICABLE PROVISIONS OF THE ACT, INCLUDING CORE PRINCIPLES AND THE COMMISSION'S REGULATIONS THEREUNDER

Pursuant to Commission Rule 40.2(a)(3)(v), the following is a concise explanation and analysis of the product and its compliance with the Act, including the relevant Core Principles, and the Commission's regulations thereunder.

I. Introduction

The “Will a new Supreme Court justice be confirmed?” Contract is a contract relating to whether a new Supreme Court justice will be confirmed by a given date. After careful analysis, Kalshi (hereafter referred to as “Exchange”) has determined that the Contract complies with its vetting framework, which has been reviewed by the CFTC and formed part of the Exchange’s application for designation as a Contract Market (“DCM”) that was approved by the Commission.

There are nine members of the Supreme Court. Six of those justices have been appointed by Republican Presidents and three by Democratic Presidents. President Donald Trump had three justices appointed in his four year term (Gorsuch, Barrett and Kavanaugh), while Presidents George W. Bush and Barack Obama each had two in their eight-year terms (Alito and Roberts for Bush and Sotomayor and Kagan for Obama). Considering the impact that the Supreme Court has on the economic activities of American life, President Joe Biden getting the opportunity to nominate a new justice subsequently confirmed by the Senate would have sizable and predictable economic consequences.

Further information about the Contract, including an analysis of its risk mitigation and price basing utility, as well as additional considerations related to the Contract, is included in Confidential Appendices B, C, and D.

Pursuant to Section 5c(c) of the Act and CFTC Regulations 40.2(a), the Exchange hereby certifies that the listing of the Contract complies with the Act and Commission regulations under the Act.

General Contract Terms and Conditions: The Contract operates similar to other binary contracts that the Exchange lists for trading. The minimum price fluctuation is \$0.01 (one cent). Price bands will apply so that Contracts may only be listed at values of at least \$0.01 and at most \$0.99. Further, the Contract is sized with a one-dollar notional value and has a minimum price fluctuation of \$0.01 to enable Members to match the size of the contracts purchased to their economic risks. The Exchange has further imposed position limits (defined as maximum loss exposure) of \$25,000 USD on the Contract. As outlined in Rule 5.12 of the Rulebook, trading shall be available at all times outside of any maintenance windows, which will be announced in advance by the Exchange. Members will be charged fees in accordance with Rule 3.6 of the Rulebook. Fees are charged in such amounts as may be revised from time to time to be reflected on the Exchange's Website. Additionally, as outlined in Rule 7.2 of the Rulebook, if any event or any circumstance which may have a material impact on the reliability or transparency of a Contract's Source Agency or the Underlying related to the Contract arises, Kalshi retains the authority to designate a new Source Agency and Underlying for that Contract and to change any associated Contract specifications after the first day of trading. That new Source Agency and Underlying would be objective and verifiable. Kalshi would announce any such decision on its website. All instructions on how to access the Underlying are non-binding and are provided for convenience only and are not part of the binding Terms and Conditions of the Contract. They may be clarified at any time. Furthermore, the Contract's payout structure is characterized by the payment of an absolute amount to the holder of one side of the option and no payment to the counterparty. During the time that trading on the Contract is open, Members are able to adjust their positions and trade freely. After trading on the Contract has closed, the Expiration Value and Market Outcome are determined. The market is then settled by the Exchange, and the long position holders and short position holders are paid according to the Market Outcome. In this case, "long position holders" refers to Members who purchased the "Yes" side of the Contract and "short position holders" refers to Members who purchased the "No" side of the Contract. If the Market Outcome is "Yes," meaning that a new justice for the Supreme Court has been confirmed between Issuance and <date>, then the long position holders are paid an absolute amount proportional to the size of their position and the short position holders receive no payment. If the Market Outcome is "No," then the short position holders are paid an absolute amount proportional to the size of their position and the long position holders receive no payment. Specification of the circumstances that would trigger a Market Outcome of "Yes" are included below in the section titled "Payout Criterion" in Appendix A.

**CERTIFICATIONS PURSUANT TO SECTION 5c OF THE COMMODITY
EXCHANGE ACT, 7 U.S.C. § 7A-2 AND COMMODITY FUTURES TRADING
COMMISSION RULE 40.2, 17 C.F.R. § 40.2**

Based on the above analysis, the Exchange certifies that:

- ☐ The Contract complies with the Act and Commission regulations thereunder.
- ☐ This submission (other than those appendices for which confidential treatment has been requested) has been concurrently posted on the Exchange's website at <https://kalshi.com/regulatory/filings>.

Should you have any questions concerning the above, please contact the exchange at ProductFilings@kalshi.com.
